

This is a paragraph This is another paragraph This is one paragraph,  
not two paragraphs! Because, although I used a carriage return (pressed the  
Enter key) in the middle I didn't leave a blank line. This is because this  
L<sup>A</sup>T<sub>E</sub>Xcode specifies formatting, and does not constitute formatting itself.  
i.e. L<sup>A</sup>T<sub>E</sub>X is a typesetting system and document markup language, unlike  
Microsoft Word, Apple Pages or LibreOffice Writer which are WYSIWYG  
Word Processors.
